

ARON LAIKIN

Aron Laikin brings 35-plus years of award-winning creative solutions to some of the world's best known companies including Walt Disney, Warner Brothers, Marvel Comics, MAD Magazine, Cracked Magazine and many other publications as well as his own books. Also, Goldman Sachs and other giant financial institutions regularly call upon Laikin to create commemorative illustrations to celebrate their completed deals.

Laikin's passion has always been both art & music. He put himself through art school as a professional drummer, and he has successfully combined the two talents to create a wide variety of satirical concert posters for some of the top Rock, Blues and Jazz artists worldwide.
